

such property he is sparing neither labor nor expense.

Rock Hill Votes Bonds.

As was generally anticipated the election which was held in Rock Hill, last Tuesday on the question of issuing paving, water and sewerage extension bonds to the amount of \$600,000 and the assessment of a poll tax, resulted overwhelmingly in favor of all issues. The question was divided up in several propositions all involving the same issue, and out of a total registration of 536 a total of 513 votes were cast. The paving bonds carried by a majority of 87, the water bonds by a majority of 173, the sewer bonds by a majority of 171, and the assessment of abutting property by a majority of 89.

Santiago School Meeting.

A meeting of the patrons of Santiago school was held Thursday night at the school house for the purpose of hearing an explanation of the compulsory attendance law as given by Superintendent of Education John E. Carroll and Miss Belva Saunders. York county school attendance officers there were quite a number of parents and others interested in the school present. Santiago school recently opened with an enrollment of 41. Miss Maggie Belle McCarter is the teacher in charge.

County Teachers Tomorrow.

Unless the weather proves to be too inclement it is believed that there will be a large number of York county school teachers in attendance upon the first meeting of the York county teachers' association in the courthouse here. The meeting is to be opened at 10.30. A full and frank discussion of the compulsory school attendance law and the matter of teachers' employment contracts will be the features of the meeting. No provision has been made for the entertainment of the teachers at dinner.

Exam for Enumerators.

Directed by J. L. Glenn Jr., of Chester, clerk to S. C. Carter, supervisor of the Fifth district census, an examination of candidates who seek employment as census takers in York county was held in the courthouse here today. It will be necessary to have 21 persons take the census in York county and the pay is from \$4 to \$6 per day, dependent upon the territories in which the respective enumerators work. The following were here to take the examination: W. W. White, Philbert; W. R. Koon, Clover; L. H. Goode, Sharon; W. H. Howell, York; N. L. M. L. Love, Sharon; W. J. Beams, Sharon; R. Lesalle, York; W. C. J. A. C. Love, York; S. S. Baird, York; L. Lesalle, York; J. H. Wood, Sharon; N. G. Brandon, York; J. H. Clark, Philbert; J. J. Howe, York; N. L. M. L. Love, York; E. M. Dickson, York; N. L. M. L. Love, York.

Ponies at the Fair.

Rock Hill Herald: There were between 12 and 15 York county ponies on exhibition at the fair last week, and the pony show and races were declared by experienced horsemen to have been the equal of any ever held in the Carolinas. The increased number demonstrated the fact that the farmers are more and more adopting the policy of breeding their live stock at home, rather than sending to other sections thousands of dollars annually. The races were probably more exciting than the show itself. James Love, of McConnellville, riding Kerr's pony, won first prize; Jack Ragan, riding Mr. Kerr's pony, won second, and Beulah Porter, riding Carhart's pony, rode her mount in a style that would have done credit to an experienced jockey, and their handling of the little animals was almost perfect.

SOUTH CAROLINA NEWS

Cotton sold on the St. George, Dorchester county market Wednesday for forty cents a pound.

A. D. Oliphant of Columbia, "fair price" commissioner for South Carolina has resigned. The job didn't pay anything.

B. T. Peters, middle aged white man was fined \$100 in Charleston recorder's court last Wednesday for interfering with and making improper proposals to school girls.

Henry L. Dominick, 41, prominent farmer living near Prosperity, died Wednesday night from injuries received when he was struck by a motor car being driven by G. H. Bolt of Laurens county as he stooped over in the road to pick up a knife.

Clemson College defeated the University of South Carolina in the annual football game between the two schools which was played in Columbia Thursday. The score was 19 to 6.

Julius Taylor, a physician of Columbia has been dismissed by a magistrate following a preliminary hearing on the charge of manslaughter. The physician was arrested on a warrant issued by W. N. Graydon, a lawyer who charged the doctor with the murder of his son, Norwood Graydon, who died as the result of an operation performed by the doctor.

Military Won Steel Strike.—Following a statement to the effect that the steel workers had lost the strike, made to military leaders in Gary, by L. E. Titus, a member of the steel workers' council there, John Fitzpatrick, chairman of the national committee directing the strike, said last Tuesday: "The strike is won, no matter what the outcome may be."

"There is no use pretending," Titus had said to Col. W. S. Mages, commanding the regular troops. "The men are going back to work. The strike is lost and the army is responsible." In explaining his statement, Mr. Fitzpatrick said:

"Strikes may be won even though they are lost. This struggle is only laying the groundwork for future battles."

"The steel worker may be starved into getting back to work, but he has learned this: "He knows that the steel corporation is not bigger than he will of the man working for it. He knows now that he can close down the entire works. Knowing this he will never again submit sheep-like to the conditions under which he has labored for years."

"For twenty or more years the steel worker has been of the opinion that the United States Steel Corporation was the biggest thing on earth. He believed that its power was even greater than that of the United States government. He did not know that the worker is the greatest power. Now he knows that he can tie-up the plants. He has done it. The next time he tries he will tie it up more effectively than he has done on this occasion."

AT THE CHURCHES

ASSOCIATE REFORMED PRESBYTERIAN.

Rev. J. L. Cates, Pastor. Sabbath Services—Sabbath school at 10 a. m. Morning service at 11. Evening service at 7. Y. P. C. U. meet at 6.30 p. m.

Mr. and Mrs. S. A. Giffman.
Mr. and Mrs. J. M. White and family.

ANOTHER YORKE CASE

It Proves That There's A Way Out for Many Suffering York Folks. Just another report of a case in York. Another typical case. Kidney ailments relieved in York with Doan's Kidney Pills. Ask your neighbor.
J. Y. Lucas, Carpenter, Main St., York, says: "The effects of a cold settling in my kidneys and also occasionally striking my back at carpentering is what caused my kidney trouble. The worst complaint was a constant ache across my back, and the pain was even more severe when I sat down for a while, especially nights. I didn't rest well at night and I got up mornings tired out and stiff. Sometimes when I stooped over, sharp catches came in the center of my back and took my strength away. My kidneys acted irregularly too, and I had to get up several times at night on that account. I got two boxes of Doan's Kidney Pills from Shilders Drug Store, and I have had practically no trouble with my kidneys since. Doan's Kidney Pills cured me and I praise them for it." (Statement given in May, 1914.)

GONE FOR GOOD.

On February 26, 1918, Mr. Lucas said: "It gives me pleasure to again recommend Doan's Kidney Pills. Doan's cured me to stay cured and I am glad to confirm my former statement."
